

Ethnic Minority Support

Carers of West Lothian is a local charity providing information, advice and support to unpaid carers and disabled people in West Lothian.

We want to make sure that we also support Ethnic Minority carers and disabled people to access support and are currently trying to find out what support Ethnic Minority carers and disabled people in West Lothian need.

Please get in touch to find out more about the research we are doing or how we can help you. If you are from an Ethnic Minority community or work with a EM community, please get in touch so we can find out how we can better support you.
